

**REMARKS**

Applicants respectfully request entry and consideration of the above amendment before continued examination on the merits.

Claims 1-50 are cancelled without prejudice or disclaimer. Applicants reserve the right to file one or more continuing application to pursue the subject matter of any cancelled claims.

Claims 51-64 are added, with ample support in the original claims and specification. See, for example, page 1, first and third paragraphs; page 2, second, third, and fourth full paragraphs; and page 3, first two paragraphs.

Because no new matter is introduced, Applicants respectfully request entry of the amendment. Upon entry, claims 51-64 will be pending.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check or credit card payment form being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicants hereby petition for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,

Date 07/30/2007
